Dated 11th May, 1945.

No.3729
Enclos:one statement;
13 vouchers:

My dear Noronha,

I am herewith enclosing a statement of actual expenditure incurred by me during the Australian trip. From Bangalore to Colombo the R.A.F. plane took me and I had to wait for a week at Colombo waiting for a plane to Perth, Western Australia. The return fare to Perth was Rs.3,466-11-0 and on landing at Perth along with the party, I was taken charge of by the Commonwealth Government of Australia. All hotel charges were met by them; we were provided with a plane for inter-State transport and in the cities and for visits round about, the Government provided us with cars. I had however to incur some expenditure by way of presents to the Commonwealth staff that accompanied the party, tips to the car drivers and the hotel staff and some charges for entertaining the several people who came to meet us. Besides these entertainment charges, I had to provide myself with some equipment to the extent of Rs.456-9-0, by way of

warm clothing, a light air-travel suit case etc. and I presume this comes under Rs.500/- for which I had applied for sanction in my letter No.2403 dated 8th January 1945.

The second advance of £150 sterling sanctioned in Government Order No.D.5679-81 I.&.C. 391-44-11 dated 28th February 1945 has been returned to the Imperial Bank of India, Bangalore on 11th April 1945 (vide their letter of 11.4.45 to the Comptroller to Government).

Considering the exceptional circumstances under which I had to travel, I shall feel grateful if you will kindly obtain approval of Government to the statement of expenditure being admitted by the Comptroller. I have enclosed vouchers to the extent possible and for tips and entertainment charges, I could not get vouchers.

Yours sincerely,

Srinivasan
